## BAD BOYS IN EDNA

**Bridgeport, TX.** (March 17th, 2010) - When good little boys play in the dirt they play nice and easy with their toy trucks. When the BAD BOYS play with their big bad monster trucks, it shakes the ground! The BAD BOYS OF RACING will be racing in the Brackenridge Main Event Center: Friday night 7:30 and then again Saturday at 2pm and 7:30pm May 28th and 29th with the MONSTER TRUCK SPRING NATIONALS.

The producers of this event, Checkered Flag Productions, are finally getting the chance to come to South Texas and put on a great show at the new Brackenridge Main Event Center Arena that opened this past May. Ed Beckley the president of CFP says, "We go all over the United States and it seemed like we would never have the right opportunity to put on a show down here, but this is the year! With the help of the Director, Cammie Pearson, we are booked in this beautiful venue and are excited to be here!"

"We know our fans have missed us and the good news is we are bringing the biggest names in Monster Trucks with us, including the undisputed KING OF THE MONSTER TRUCKS, the legendary BIGFOOT! The BIGFOOT team hails out of St. Louis, Missouri and this is their only appearance in Texas for the rest of the year. The trucks that will be in competition include BIGFOOT "BAD BOY", BARBARIAN, RAZIN KANE, WAR EAGLE, and 2 more trucks will be added," Beckley said."

The Monsters are many and one that is totally different is SERGEANT SMASH; a monster ride truck. This one is set up for giving spectators a ride they will never forget; Monster Rides for an additional fee prior to the event, during intermission, and after the event. This monster ride truck has seats and seat belts for up to 18 riders and is a lot of fun.

To make an even bigger splash the CFP Crew has added some competition for local racers. There are ATV 4 wheeler races for the experienced pro riders and then a class for amateur riders who are not as experienced. Riders must at least be 16 years old and have basic safety equipment like helmet, boots, and eye protection. Plus local hot rodders with their pick-ups and jeeps can compete in the Tuff Truck Races. This is a fun event where drivers take their street legal rides over an obstacle course one at a time. Anyone with a legal driver's license can race in the tuff truck races. The races are open for local racers and anyone interested may call the CFP office at 940-683-4742 Monday through Friday from 9am to 5pm.

With a line-up of these big name MONSTER TRUCKS and the rest of the show, race fans from this area should enjoy the thunder. The CFP crew is excited to bring this event to Edna, "We will bring a mix of MONSTER TRUCK Freestyle Car Crushing and MONSTER TRUCK side by side racing. The action will have fans snapping photos and cheering their favorite rider or driver. Whether it is a Monster Truck crushing cars, or ATV 4 wheeler racers, or Tuff Trucks flying off a jump; this action is sure to excite you more than a two candy bar sugar high!", said Beckley. Saturday night, after the event, there is a free fireworks display!

Affordable ticket prices range from a Super Value \$10 Child Seat to Adult Seats for only \$20 in advance. All tickets go up \$2 dollars day of the show and are expected to go fast. To purchase tickets, visit <http://www.brackenridgepark.com/eventDetails.aspx?eventID=116>, the Main Event Center Office or call (361) 782-7272.
